“IN TERROIR THERE IS TRUTH”

Our wines are natural. Everything is tended to by hand, and nothing commercial is added to our wines. Our production is very limited.

We invite you to kick back, relax and settle into your wedding weekend. We offer our estate wines and meads as well as other tastings, glasses and bottles of other NYS libations.. In our tea salon you will find estate honey, cheeses, tea and more as a way to add to your special event. We make custom favors, centerpieces, estate flower bouquets.

We also can help to host your rehearsal dinners and hair of the dog brunch!

We are located 15 minutes East of Albany, NY in Castleton. The Winery is located right next to the barn at the top of the property outside the vineyard, it is a yellow building. Please park in the parking lot below and enjoy the walk up.

Handicap parking available up outside the barn.

“Everything we do now must be done in sacred manor and celebration”
