We honor wine as a sacrament and do not treat the vineyard with any pesticides, herbicides, or fungicides.

Our wines are natural. Everything is tended to by hand, and nothing is added to wine wines- ever. Our production is, very, limited.

We invite you to kick back, relax and settle into your wedding weekend. We will be offering our estate wine to taste as well as other tastings, glasses and bottles of other NYS wines available for purchase. In our general store you will find estate honey, cheeses, tea and more as a way to add to your special event! From favors, to centerpieces, estate flowers, rehearsal dinners and brunches!

We are located 15 minutes East of Albany, NY in Castleton. The Winery is located right next to the barn at the top of the property outside the vineyard, it is a yellow building. Please park in the parking lot below and enjoy the walk up.

Handicap parking available up outside the barn.
